Illustrated by Denis Proulx

Ronnie Rhino was no ordinary rhino. He could juggle, skip stones, and even roller-skate backwards. But Ronnie did not like broccoli!

At dinner, Ronnie's family all sat down together - his father Robert, his mother Rita, and his little sister Roberta. And every night, broccoli was always on the table.

"Please pass the broccoli," said Ronnie's little sister Roberta.

"Ronnie, please have some broccoli," his mother said.
